

# DAAS-360Cloud

## Building and Automating Enterprise Infrastructure Using Terraform and Packer

<https://www.daas-360cloud.com/>

# AWS Account & Permissions

## # AWS - Largest Cloud Provider -By Market Share

Free Tier <https://aws.amazon.com/free/>

## # AWS Managed Policies needs to be attached to this account

- VPC Access : AmazonVPCFullAccess
- EC2 Resources - AmazonEC2FullAccess
- S3 Bucket : AmazonS3FullAccess
- IAM Roles : IAMFullAccess
- RDS Access : AmazonRDSFullAccess

For easier setup - I recommend - [AdministratorAccess](#)

THANK YOU
